

# SleepPhones® Classic

SleepPhones® Classic are traditional headphones made bed-friendly! Unwind with our ultra-slim, patented soft and comfortable “headphones in a headband” that make listening to audio in bed a dream.

### BENEFITS:

- Fall asleep faster, stay asleep better and wake up refreshed
- Reduce ambient noise, conversations, traffic sounds and snoring
- Get a good night’s sleep naturally, without medications
- Relieve stress and block out noise by listening to your favorite tunes, soothing meditation sounds, radio, sleep-enhancing rhythms, audiobooks or any other preferred music.

### FEATURES:

- Superior sound quality with eco-friendly, lead free electronics
- Compatible with any device that incorporates a standard 1/8th inch (3.5 mm) audio jack
- Flexible, fabric 4-foot (48 inch) stereo audio cord
- No clunky earbuds or ear enclosures
- Removable speakers in a hypoallergenic, machine washable fabric headband
- Pre-shrunk and non-pilling
- Free sleep sound online downloads and free iPhone® app
- Satisfaction guaranteed
- Manufacturer’s warranty
